

"A CALL TO ACTION, 5,000 MEN" AFFILIATION COMMITMENT

"A CALL TO ACTION, 5000 MEN" is a goal driven movement born of committed men to mobilize black men to reduce homicides, minimize crime, and create peace throughout our communities in the City of Baltimore. Sunday, June 15, 2008, Father's Day, is the day that we are calling 5,000 men to come together to signal a new day in our community.

We are grateful for your support of this movement.
